- You will then receive a message indicating that “The Login Question and Answer are not currently setup. This needs to be completed and your password will be reset.” Select a question and provide an answer to enable you to reset your password, and make note of your answer as this will be used if you need to reset your password again in the future.

- Once you have completed the required information, press **Continue** once. Buy4Michigan will notify you that your new temporary password will be emailed to you. **It may take several minutes to receive your temporary password.** If you do not receive your password email after several minutes, verify that the email is not in your “Junk” or “Spam” folder.
- Once you have received your temporary password, return to the login page at <https://www.buy4michigan.com> and enter your login ID and temporary password into the Login ID and Password fields near the bottom of the screen, then press the “Login” button.
- You will then be prompted to reset your temporary password using a new password that only you know.**
 - Passwords must be a minimum of 8 characters, contain a combination of letters and numbers, and not be a password that you have used in the last 5 password resets.
 - When you have completed the required fields, press the ‘**Submit**’ button at the bottom of the screen.

The screenshot shows a Mozilla Firefox browser window with the title "Michigan Department of Technology Management and Budget - Change Password". The address bar displays "https://www.buy4michigan.com/bso/login.sdo". The page features the "Buy4Michigan" logo at the top. Below the logo is a "Change Password" form with three input fields: "Current Password*", "New Password*", and "Confirm New Password*", each followed by a masked password field (dots). A message box states: "Your current password is temporary. You must enter a new password." At the bottom of the form are "Submit" and "Log Out" buttons. The footer of the page reads "Procure-to-Pay Business Solutions by eScribe Records".

Once you have successfully logged in using your new password you will be taken to the home screen for the system role assigned to your user account, or if you have accessed the system previously, the last screen you were on in your last session.
